

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing an application for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit written comments on this project to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Liz and Robert Silveira – Home Owners
Applicant's Agent	Brooke Langle – Terra Verde Environmental Consulting
Project Name	Silveira Bank Stabilization
Receiving Water	Garden Creek
City/County	San Luis Obispo/San Luis Obispo
Public Notice	August 25, 2010 – September 15, 2010
Project Description	<p>The purpose of this project is to revegetate, stabilize, and restore the streambank to stop further erosion and sedimentation and loss of property.</p> <p>The project activities include:</p> <ul style="list-style-type: none">• Dewatering or diversion of stream flow, if present, from the active work area.• Removal of a gravel bar directing flow to the streambank.• Excavation of a toe trench and the placement of one row of boulders along the toe of the creek.• Preparation and seeding of the bank with native seed mix.• Implementation of erosion control measures to stabilize the bank prior to heavy winter rains. <p>Streambed and riparian vegetation areas totaling 0.0096 acres will be restored as a result of this project.</p> <p>The California Department of Fish and Game is preparing a Categorical Exemption, which is to be filed when available.</p>
